ST. PAUL, Minn., April 22, 2019 /PRNewswire/ -- H.B. Fuller Company (NYSE: FUL) announced that it has expanded its global corporate responsibility reporting in a new section of the [company's website](#) launched today.

H.B. Fuller understands that the company is best positioned for long-term success when its stakeholders – customers, employees, shareholders and communities – are thriving. Aligned with the [UN Sustainable Development Goals](#), the company's annual [Global Responsibility Report](#) demonstrates H.B. Fuller's broad commitment to corporate social responsibility.

"We believe that H.B. Fuller can and should play a role in creating positive change," said Jim Owens, president and CEO of H.B. Fuller. "Our commitment to corporate social responsibility begins inside our company. We continually strive to minimize the environmental impact of our operations, while holding safety as a top priority and providing a dynamic and supportive workplace for our employees. We also recognize that, to truly drive change, we must collaborate with others beyond our own operations. H.B. Fuller partners with customers, for example, to deliver solutions to the challenges they face, including the design and production of stronger, safer, greener consumer and durable goods."
